### Hard Skills

#### Programming Languages

PHP7, JS, Canvas, HTML5 et CSS3, C

#### Tools (Framework, IDE...)

- MySQL, AngularJS, JQuery, Bootstrap 4
- VS Code, JMeter, Netbeans, AWS, WordPress 5, GitHub, Trello, Atom, Ubuntu, Windows 10
- MVC, server LAMP, POO

### Soft Skills

#### Teamwork

I am comfortable with the role of project manager. I love having an overview, listening to each other's ideas, looking for the team's strengths, following the work with kindness and stimulating overall motivation through a communicative positivity.

#### Creativity

Conscientious and demanding, I like to think of user comfort by imagining new features to improve the UX.

#### Adaptation

I love research and problem solving. I'm a quick learner with a natural curiosity.

### Spoken Languages

Français

Mother tongue

Anglais
