Hard Skills

Programming Languages

Python3, PHP7, JS, Canvas, HTML5 et CSS3, **C.**

Tools (Framework, IDE...)

- Django, Symfony, MySQL, AngularJS, JQuery, Bootstrap 4
- VS Code, JMerise, Netbeans, AWS, WordPress 5, GitHub, Trello, Atom, Ubuntu

Soft Skills

Teamwork

I am comfortable with the role of project manager. I love having an overview, listening to each other's ideas, looking for the team's strengths, following the work with kindness and stimulating overall motivation through a communicative positivity.

Creativity

Conscientious and demanding, I like to think of user comfort by imagining new features to improve the UX.

Adaptation

I love research and problem solving. I'm a quick learner with a natural curiosity.

Spoken Languages

Français

Mother tongue

Anglais
